Customer Problem Statement

Problem Statement (PS)	**I am (Customer)**	**I'm trying to**	**But**	**Because**	**Which makes me feel**
PS-1	A patient visiting a medical diagnostic center	Book a diagnostic test and appointment at a convenient time	Available slots, test prices and appointment information are not always easy to access or manage	The booking process may involve manual coordination and disconnected information	Frustrated and uncertain about my appointment
PS-2	A patient who has completed a diagnostic test	Receive my test report and important appointment updates	Reports and notifications may be delayed or difficult to track	Patient, appointment, report and notification processes are not centralized	Anxious and inconvenienced

Short Overall Problem Statement

Patients need a centralized and convenient way to browse diagnostic tests, book appointments, receive updates, and access reports, but disconnected or manual processes can make these activities difficult to manage efficiently.
